Manuscripts and Reviews

The editor invites the submission of articles dealing with the social, intellectual, economic, political and cultural history of Pennsylvania and the Middle Atlantic region. Articles may reflect investigation of new areas of research or may reflect on past scholarship. Material that is primarily of an antiquarian or genealogical nature will not be considered.

Pennsylvania History publishes documents previously unpublished and of interest to students of the Middle Atlantic region. The journal also reviews books dealing primarily with Pennsylvania history or which shed significant light on aspects of the state's past.

Manuscripts must be submitted in three copies and should conform with the University of Chicago *Manual of Style*. Footnotes should be double-spaced and placed at the end of the manuscript. We encourage submission of manuscripts on discs. Please do not mail your discs until we have accepted your article and indicated corrections to be made.

Articles and documents should be sent to the editor: William Pencak, Department of History, Penn State, State College, PA 16802.

News of meetings, projects, exhibits, manuscript collections and related matters should be sent to William Pencak at the address listed above.

Send books for review and names of individuals who wish to review for the journal to Dr. John F. Bauman, Department of History, California University, California, PA 15419.
