Publishers of Pennsylvania History, a quarterly, and the Pennsylvania History Studies Series

The Pennsylvania Historical Association, in cooperation with local and regional historical societies and agencies, seeks to advance the study of Pennsylvania's heritage. It is the only statewide historical society now active in the Commonwealth. By its publication of the quarterly journal Pennsylvania History, a series of pamphlets known as The Pennsylvania History Studies, and its annual meetings held successively in different parts of the state, the association stimulates scholarly activity and arouses popular interest in the state's history.

The association's invitation is a broad one. It appeals to all those in Pennsylvania who are interested in history, regardless of whether history is for them an avocation or a vocation. It invites to membership educators at all levels, authors and editors of historical studies, administrators for the study of history, archivists, historic site supervisors, historic preservationists, and those in other professions that promote the study of history. The association welcomes both traditional and non-traditional practitioners and students of history. Please join today!

Announcements

The Pennsylvania Historical Association meets Oct. 16 and 17, 1998 at Muhlenberg College in Allentown. Members of the Association will receive programs in due course. Others please contact Prof. Edwin Baldridge, History Dept., Muhlenberg College, Allentown, PA 18104.

The Capitol Preservation Committee, Rm. 30, Capitol Annex Building, Harrisburg, PA 17120, is about to restore some 400 mosaics on the main floor of the building. Created by Henry Mercer, these are masterpieces of folk art. Donations are welcome.

The editor is sorry to note that the PHA's Business Secretary, Leroy "Skip" Toddes is retiring later this spring. Skip was always easy to work with, extremely conscientious, and did Herculean service in distributing our journals and pamphlets and keeping track of about half our affairs. (Treasurer Robert Blackson, a financial wizard, handles the other half.) Fortunately, Professor John Frantz of Penn State has agreed to serve as Business Secretary, which will consolidate the PHA's business and editorial offices in the History Department at Penn State.

The Historical Society of Western Pennsylvania announces a conference entitled "Manufacturing, Marketing, and Meaning: Glass in American Life," to be held on November 13-14, 1998 at the Senator John Heinz Pittsburgh Regional History Center. The keynote address will be given by Dr. Charles Venable, Chief Curator, Dallas Museum of Art. Please send six copies of proposals (maximum length 250 words) to Dr. Elizabeth Watkins, Senior Historian, HSWP, 1212 Smallman Street, Pittsburgh, PA 15222 by May 15, 1998. Include name, address, telephone number, fax number, and position held.
The Pennsylvania Historical Association

The Pennsylvania Historical Association endeavors to stimulate scholarly activity and arouse popular interest in the Commonwealth’s history. It sponsors *Pennsylvania History*, a publication series, and annual meetings held successively throughout the state.
