## NOTE:
The Roy Lubove Papers at the University of Pittsburgh Archives of Industrial Society have yet to be organized. Researchers, however, as did several contributors to this volume, may use them.

*Note: This bibliography may not be complete. Roy Lubove did not maintain an up-to-date curriculum vitae. The bibliography was compiled from a variety of sources. I wish to express my appreciation to Jennifer Belden-England, a graduate student in the Department of History at the University of Pittsburgh, for her assistance in compiling it.*
