A CAPITOL JOURNEY

Reflections on the Press, Politics,
and the Making of Public Policy
in Pennsylvania

Vincent P. Carocci

**"Whether you are happy about—
or horrified by—the hardball
politics played in Harrisburg, you
will learn much from *A Capitol
Journey* about the 'stories behind
the stories' of Pennsylvania
government over the past four
decades. As an outsider looking
in, and as an insider looking out,
Vince Carocci is the perfect guy
to write this book."**

former Harrisburg Bureau chief,

A CAPITOL JOURNEY

**REFLECTIONS ON THE PRESS, POLITICS,
AND PUBLIC POLICYMAKING IN
PENNSYLVANIA**

Vincent P. Carocci

"When one crosses the line of acceptable conduct in most professions, there usually is a price to pay. . . . Pennsylvania's Senate Democrats in the latter half of the 1970s suffered from more than their share of line crossings or transgressions. Some were individual in nature; others reflected on the body as an institution. Taken cumulatively, however, over time, they inevitably lost the party its public trust and, with it, its majority status in the chamber. That was almost a quarter of a century ago. Almost twenty-five years later, Pennsylvania Democrats were consigned still to minority party status in the Senate, with no apparent light at the end of this political tunnel. The laundry lists of Democratic woes that brought the party to such a perilous point in the short span of five, six years, were almost as exhausting as it seemed endless at the time."

—from *A Capitol Journey*

The last half of the twentieth century was a time of great social and economic change for Pennsylvanians. It was also a tumultuous time in state politics. Vincent Carocci lived through these years, spending the last four decades of the century as a journalist and political insider, rising to the post of Press Secretary to Governor Robert P. Casey in 1989. In *A Capitol Journey*, this veteran journalist and political insider offers a colorful and honest look at the ups and downs of state politics, Pennsylvania-style.

THE MORAVIAN MISSION DIARIES OF DAVID ZEISBERGER

1772-1781

Hermann Wellenreuther
and Carola Wessel

"This edition of David Zeisberger's diaries and journals contains a cornucopia of ethnographic and historical information about the Delawares and neighboring tribes in the upper Ohio Valley during the Revolutionary era. The editors have done an excellent job of identifying and expanding our knowledge of many of the important figures from this period. This volume will be welcomed by any scholar interested in the early history of Ohio or western Pennsylvania—a most valuable addition to the collections of published primary materials on these subjects."

—R. David Edmunds,

University of Texas at Dallas

"David Zeisberger's diaries are a rich source for Native American and Moravian history. The 1772-1781 diaries remain largely untapped by American scholars because they have not been available in English translation. Publication of this modern scholarly edition, therefore, will have a major impact on the field of early American history."

—Daniel H. Richter,

University of Pennsylvania

David Zeisberger (1721-1808) was the head of a group of Moravian missionaries that settled in the Upper Ohio Valley in 1772 to minister to the Delaware Nation. For the next ten years, Zeisberger lived among the Delaware, involving himself not only in religious activities but also in political and social affairs. During this time he kept diaries in which he recorded the full range of his activities. Published in English for the first time, *The Moravian Mission Diaries of David Zeisberger* offers an unparalleled insider's view of Indian society during times of both war and peace.

This translation is based on the full scholarly edition of the diaries, which Wellenreuther and Wessel published in Germany in 1995. Publication of this volume will forever change the way we see the impact of the American Revolution on Indian life and on the Ohio country.
