

FROM THE BOOK REVIEW EDITOR

Daniel P. Barr
Robert Morris University

*I*t is with much excitement that I assume the post of Book Review Editor for *Pennsylvania History: A Journal of Mid-Atlantic Studies*. It is my goal and intention to carry on the good work on my immediate predecessor, Thomas J. Kiffmeyer, as well as to expand the book review section to include not only reviews of books covering Pennsylvania and mid-Atlantic history, but also a greater representation of important new works of national history. Readers can expect regular in-depth review essays of books of related topics, featured reviews of especially promising books, and expanded coverage of all books related to Pennsylvania history. Realizing this goal certainly will not be a singular effort, and to that end, I welcome volunteers who would like to review for *Pennsylvania History*, as well as suggestions for books you would like to see reviewed in the journal. You may contact me via email at barrd@rmu.edu, or by conventional mail at Department of Social Sciences, Robert Morris University, 6001 University Blvd, Moon Township, PA 15108.
