DIARY OF PRESIDENT WASHINGTON.
JANUARY 1—JUNE 21, 1796.

By Miss Mary M. Townsend.

In the Washington Collection of the Historical Society of Pennsylvania is a copy of "The American Repository of Useful Information containing a Calendar for the present year, &c.," printed in Philadelphia 1796, by B. Davies, in which President Washington made records of the weather and a few personal items, between January 1 and June 21, 1796. On the fly leaf is written, "Tho B. Washington, Presented by his affectionate uncle Bushad Washington. The Diary of Gen' George Washington."

1796. Jan. 1.—Remarkably mild and pleasant—perfectly clear. Received the National colours from Mr. Adet the Minister Plenipo. to day:
