WAYNE BODLE is an assistant professor of history at Indiana University of Pennsylvania. He is the author of The Valley Forge Winter: Civilians and Soldiers in War (2002). He is currently working on a book entitled The Fabricated Region: Making the Middle Colonies of British North America, part of the University of Pennsylvania Press's "Early American Studies" series.

ERIC BURIN received his Ph.D. in history from the University of Illinois—Urbana-Champaign in 1999 and is now an assistant professor of history at the University of North Dakota. He is presently writing a book on American Colonization Society manumissions.

JENNIFER REED FRY teaches history at King's College and is a Ph.D. candidate at Temple University. She is currently working on her dissertation, which focuses on the political activities of African American women in twentieth-century Philadelphia.
