

Women in Engineering Conference:
A National Initiative

Conference Proceedings

Holiday Inn - Crowne Plaza
Washington, D.C.
June 2-4, 1991

Editor

Jane Zimmer Daniels
Purdue University
West Lafayette, Indiana

Women in Engineering Program Advocates Network
1991 Board of Directors

Jane Daniels
President

Susan Metz
Vice-President

Suzanne Brainard
Secretary

Betty Vetter
Treasurer

Howard Adams

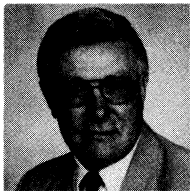

Mary Anderson

Eleanor Baum

Marilyn Berman

George Brewster

Deborah Grubbe

Gloria Hill

Margie Kintz

Marsha Matyas

Harold Shields

Myrna Whigham

The WEPAN Board would like to express their appreciation to these individuals who have instrumental in ensuring the success of the 1991 WEPAN Conference.

Patricia K. Bailey
Stevens Institute of Technology

Suzanne Laurich-McIntyre, Ph.D.
University of Washington

Emily K. Wadsworth, Ph.D.
Purdue University

Editor's Note

The papers included in this volume, unless otherwise noted, appear as they were prepared and submitted by the authors. No editing has been done to individual papers. Papers are presented in the order in which they appeared in the conference program. Indexes by author name and institution appear at the end of the volume.

**Public and Private Organizations
Contributing to the
Women in Engineering Program Advocates Network**

**Alcoa Foundation
American Cyanamid
AT & T Foundation
Corning
IBM
ICI Americas
Intel Foundation
Mobil Exploration & Producing U.S.
National Science Foundation
Polaroid Foundation
Purdue University
Stevens Institute of Technology
Union Carbide
United Technologies
University of Washington
Westinghouse Foundation**

TABLE OF CONTENTS

Plenary Session

Societal Barriers and Strategies for Succeeding in the Technical Sciences

Dr. Jewel Plummer Cobb
California State University, Fullerton 2

Taking the Lead: Industry, Government, and Academia

Building a Coalition Between Industry, Academia and Government

Irene Bjorklund
Hewlett-Packard Company 11

Women Engineers: Does Congress Care?

Rhea Jezer
Syracuse University 17

Partial Transcription: "An Overview of Corporate/Foundation Giving at AT&T"

Guido Schlesinger
AT&T Foundation 23

Research: New Findings From the Field

Graduate Career Change Women Engineers versus Traditional Engineers

Dr. Mary R. Anderson
Arizona State University 29

Women and Science: No Community Support for a Culture of Success

Paula Rayman, Alice A. Oberfield, Anna Amundsen
Wellesley College Center for Research on Women 37

Early Intervention: K-8 Programs

Martha's Daughters--Middle School Intervention

Mary A. Jasper
Mississippi State University 49

*A Successful Middle School Teacher Enhancement Program:
Project Seed (Science Education Through Experiments and
Demonstrations)*

Paula G. Leventman
Northeastern University 55

Retention Programs and Strategies

Academic Support Services and the Learning Environment
Patricia K. Bailey
Stevens Institute of Technology 63

Retention Programs and Strategies
Dr. Kathleen Luker
University of Minnesota-Duluth 69

The Women in Science Project at Dartmouth
Carol Blue Muller, Ph.D.
Thayer School of Engineering, Dartmouth College 75

Summer Programs for Secondary School Students

*S.W.E. Summer Engineering Exploration
(for High School Sophomore and Junior Women)*
Gina M. Sartor and Sharon R. Burch
University of Michigan 83

*Seattle MESA Summer Science Program for Middle School
Girls*
Nancy Cook, Ph.D.
University of Washington 87

The Douglass Science Institute for High School Women
Ellen F. Mappen, Ph.D.
Douglass College 93

Graduate Recruitment and Support Programs

*Using Summer Internships to Recruit Female Graduate
Students into Science and Engineering*
Myrna Whigham, Ph.D.
Iowa State University 99

**Increasing the Participation of Women in Engineering
Careers: A Corporate Perspective**

Marie McKee
Corning Incorporated 107

Establishing Partnerships: Industry, Government, Academia

Women in Engineering: The Role of Community Colleges
Dr. Paul C. Parker
Division of Community Colleges, Tallahassee, Florida 123

*The Industrial/Educational (K-20) Partnerships:
A Win/Win Proposition*
Susan Wood, Ph.D.
Westinghouse Electric Corporation 129

**New Directions: Program Ideas for Colleges and
Corporations**

Partnerships With Vocational Education
Louise Chiatovich
California State University, Sacramento 137

Pre-College Programs for Engineering Career Awareness

Bringing Young Minority Women to the Threshold of Science
Rachelle S. Heller and C. Dianne Martin
The George Washington University 145

Pre-College Programs for Engineering Career Awareness
Betty P. Preece
Science Education Consultant 147

Women in Engineering Programs, A Dean's Perspective

Special Interest Meetings

*An Immodest Proposal for a Women's Institute in
Engineering*
Barbara B. Lazarus and Indira Nair
Carnegie Mellon University 157

Engineering Technology Issues

Deanna M. Jacobs and W. David Baker

Rochester Institute of Technology

165
