

## RESEARCH: NEW FINDINGS FROM THE FIELD

Moderator: Betty M. Vetter  
Executive Director  
Commission on Professionals in Science

Betty M. Vetter is the Executive Director of the Commission on Professionals in Science and Technology, a private, non-profit corporation formed in 1953. Educated at the University of Colorado, Berkeley and Stanford, she held academic appointments in California and in Washington, D.C. prior to her appointment to the Commission in 1963. She is editor of *Scientific, Engineering, Technical Manpower Comments*; author of many reports and articles on production and/or utilization of scientists and engineers; and a frequent speaker on some aspect of these subjects.

Presenters: *"Graduate Career Change Women Engineers Versus Traditional Engineers"*

Dr. Mary Anderson  
Associate Professor of Engineering  
Director, Graduate Career Change Program  
Arizona State University

*"Pipelines to Engineering and Other Technical Disciplines"*

Avis J. Davis  
Program Officer  
Selected Professions Fellowships

Alicia Quinn  
Program Associate  
Research and Projects Grants  
American Association of University Women (AAUW)

*"Opening Pathways for Women and Science: Barriers and Possibilities"*

Dr. Paula M. Rayman  
Associate Professor of Sociology  
Wellesley College
