

## CAN CORPORATIONS KEEP WOMEN ENGINEERS? ONE COMPANY'S APPROACH

**Moderator:** Jan M. Schmuckler, Ph.D.  
Senior Organizational Development Consultant  
Sun Microsystems, Inc.

Jan has worked for Sun Microsystems, Inc. as a senior O.D. Consultant for two and a half years. She first served as a consultant to the engineering division and during a reorganization in 1991, she moved to the Corporate group.

Prior to Sun, Jan was the Chair, Graduate Management Programs for J. F. Kennedy University and held faculty positions at both J. F. Kennedy University and California School of Professional Psychology. She had her own consulting firm, Creative Consultants Consortium.

**Presenters:** Anne Baker  
Supplier Quality Engineer  
Sun Microsystems, Inc.

Carolyn Turbyfill, Ph.D.  
Nomadics Architect  
Sun Microsystems, Inc.

Deborah Yarborough  
Diversity Programs Manager  
Sun Microsystems, Inc.
