

SUCCESSFUL INDUSTRY AND EDUCATION PARTNERSHIPS

Moderator: Lewis E. Shumaker
College Relations Supervisor
DuPont Company

Lewis E. Shumaker joined DuPont in 1965 at its global headquarters in Wilmington, Delaware, after receiving his bachelor's degree in finance from Ohio State University. He has held a variety of supervisory, consultant, and management positions. For about four years, he was based in Sydney, Australia, as Director of Finance for DuPont (Australia) Ltd. Since 1985, his primary responsibilities have been professional staffing and college relations.

Active in ASEE, Shumaker serves on the Projects Board and the Membership Policy Committee. He is also on the board of three other organizations: the National Consortium for Graduate Degrees for Minorities in Engineering and Science (GEM) and its Ph.D. Science Advisory Committee; the Texas Alliance for Minorities in Engineering; and Corporate Affiliates for the National Society of Black Engineers. Shumaker is on the National Association of Minority Engineering Program Administrator's 1993 Conference Planning Committee and co-chair of the local committee for Forum '93 of the National Action Council for Minorities in Engineering. He serves on the industrial advisory board of the Minority Engineering Programs at Cornell, Michigan State, MIT, and Purdue. Shumaker has been active in the Engineering Manpower Commission, the Commission of Professionals in Science and Technology, and the Delaware Higher Education Commission.
