

JOINT INITIATIVES: COMMUNITY COLLEGES AND FOUR YEAR INSTITUTIONS

Moderator: Miriam K. Maslanik, Ph.D.
Program Coordinator
Women in Engineering Program
University of Colorado at Boulder

Miriam Maslanik is the Founder and Program Coordinator of the Women in Engineering Program at The University of Colorado at Boulder. Her responsibilities include coordinating orientation programs, career days, peer mentoring, job shadowing, brown bag lunches, the WIEP newsletter, counseling, supplemental advising, and the new parent network. She is also the faculty advisor to the CU-Boulder student SWE section.

Miriam earned her B.S. and M.S. degrees in Chemical Engineering from Penn State University and her Ph.D. in Chemical Engineering from the University of Colorado at Boulder. She worked for the DuPont Company, Penn State University, and Stearns-Roger Engineering Corporation (now United Engineers). She is a registered professional engineer in Colorado.

Miriam is a member of WEPAN, SWE and AIChE. She is on the board of directors of WEPAN, and she is the Regional Coordinator for SWE student sections in Region I. Miriam also serves on the CU-Boulder College of Engineering and Applied Science Task Force on Sexual Harassment.
