

MIDDLE SCHOOL SUMMER PROGRAMS

Moderator: Judith McDonald
 Director, Student Services and Women in Engineering
 Ohio State University

Judith W. McDonald earned her Bachelor of Ceramic Engineering degree from The Ohio State University in 1965. She worked at Westinghouse's Engineering Center until joining the Peace Corps in 1966. Upon her return, she worked for the American Ceramic Society. Judith returned to The Ohio State University as a lecturer in Engineering Graphics after staying at home with her children for eleven years. In 1985, she became the Director of the Engineering Cooperative Education Program at Ohio State. In 1988, she became the Director of Women in Engineering. Since 1992, as Director of Student Services and Women in Engineering, Judith is also responsible for honors and scholarships in the College of Engineering as well as coordination of academic advising, summer orientation, and a first quarter "Introduction to Ohio State and Engineering" course. Judith is a member of the Society of Women Engineers, Women in Engineering Program Advocates Network, and the Association of Engineering Education serving as Program Chair for the last two years. She also volunteers as an advocate in a Rape Survivor Program.
