

## WOMEN IN ENGINEERING GRADUATE PROGRAMS

Moderator: Karen Frair, Ph.D.  
Professor, Dept. of Mechanical Engineering  
University of Alabama

Karen Frair is Professor of Mechanical Engineering at the University of Alabama and campus director of the NSF-funded Foundation Coalition. She received her Ph.D. in mechanical engineering from the University of Oklahoma and her undergraduate education in ME at the University of Tulsa. She has served as Associate Dean at the University of Alabama and was assigned to the Office of the President, Florida State University, as an American Council on Education Fellow.

Dr. Frair has been a project director for the National Science Foundation in the area of undergraduate engineering education and has served as an associate editor for the Journal of Engineering Education. She has served on the WEPAN Board of Directors, is a member of ASME, and has been selected for inclusion in American Men and Women of Science.

Presenters: Pirouze Saghafi-Adib.  
Graduate Student Program Chair  
University of Washington

Barbara B. Lazarus, Ph.D.  
Associate Provost of Academic Projects  
Carnegie Mellon University

Julie L. Goldberg  
Program Evaluator  
University of Maryland

Lynn Schmidtke Lyng  
Director, Program for Women in  
the Institute of Technology  
University of Minnesota
