

K - 12 INTERVENTION PROGRAMS

Moderator:

Kathleen A. Bott
Associate Director, Office of Women's Programs
Stevens Institute of Technology

Ms. Bott has served as the Associate Director of Women's Programs at Stevens Institute of Technology for four years. Ms. Bott is responsible for conducting programs to encourage female middle school and high school students, undergraduates and graduate students to pursue careers in engineering and science. She is also the Director of Stevens' ECOES - Exploring Career Options in Engineering and Science Summer Program and serves as Advisor to the student chapter of SWE.

During her tenure at Stevens, Ms. Bott has served as Co-Chair of the Stevens Sexual Harassment Committee. In this capacity, she designed and implemented a Sexual Harassment Prevention Program for the entire Stevens Community. To date, she has conducted educational seminars on sexual harassment prevention for over fifty percent of the campus community including faculty, staff, and students. She also conducts educational seminars for college freshman and international students.
