

INSTRUCTIONAL AND ADVISING STRATEGIES TO RETAIN WOMEN AND MINORITIES

Moderator

Judith W. McDonald
Director, Women in Engineering and Student Services
The Ohio State University

Judith W. McDonald earned her Bachelor in Ceramic Engineering degree from The Ohio State University in 1965. She worked at the Westinghouse's Engineering Research Center until joining the Peace Corps in 1966. Judith returned to The Ohio State University as a lecturer in engineering graphics in 1980. In 1986, she became the Director of the Engineering Cooperative Education Program at Ohio State. In 1989, she assumed the position of Director of Student Services as well as the Director of the Women in Engineering Program.

Judith serves on the WEPAN Board of Directors, is a member of the Society of Women Engineers (SWE) and the Association for Engineering Education (ASEE), having served as WIE Program Chair and most recently, Division Chair. She also volunteers as an advocate in the Rape Survivor Program.

Presenters
