

INTERNATIONAL PROGRAM SESSION
--

Moderator

Suzanne G. Brainard
Director, Women in Engineering
University of Washington

Suzanne G. Brainard received her Ph.D. from Ohio State University in Educational and Developmental Psychology in 1972. She is affiliate faculty in Women's Studies and the Director of Women in Engineering at the University of Washington in Seattle. She is the President and one of three co-founders of the Women in Engineering Program Advocates Network (WEPAN) and Executive Director of the Western Regional WEPAN Center. She served on the Penn State Advisory Board for Women in Engineering and chaired the Advisory Board for Women in Engineering at the University of Colorado-Boulder. She currently serves on Dow Chemical Company's Academic Advisory Counsel and the American Women in Science Advisory (AWIS) Board on Mentoring. She serves as a consultant and peer reviewer on organizational and gender equity issues to several higher educational institutions, private foundations and federal agencies, serves on several local community boards, and makes numerous invited presentations to national and international organizations.
