

Women in Engineering Conference

# Creating A Global Engineering Community Through Partnerships

June 14-16, 1998  
Seattle, Washington

*Conference Proceedings*

## WEPAN BOARD OF DIRECTORS

Susan Staffin Metz, **President**  
Director, Women's Programs  
Stevens Institute of Technology

Cinda Sue Davis, Ph.D., **Vice President**  
Director, Women in Science and Engineering  
University of Michigan

Judith W. McDonald, **Secretary**  
Director, Women in Engineering  
The Ohio State University

Karan L. Watson, Ph.D., **Treasurer**  
Associate Dean of Engineering  
Texas A&M University

Suzanne G. Brainard, Ph.D., **Past President**  
Director, Women in Engineering  
University of Washington

George Brewster  
Manager, Recruiting and  
Temporary Employment  
Corning, Inc.

Kathleen W. Buechel  
Vice President  
Alcoa Foundation

Jane Z. Daniels, Ph.D.  
Director, WIE Programs  
Purdue University

Michele D. Fish  
Director, Women's Programs in Engineering  
Cornell University

Debra A. Fowler  
Workforce Planning Manager, Human  
Resources  
The Dow Chemical Company

Yolanda S. George, Ph.D.  
Deputy Director,  
Directorate for Education and  
Human Resources  
American Association for the  
Advancement of Science

Brenda G. Hart, M.Ed.  
Director, Minority and  
Women in Engineering Programs  
Professor of Engineering Education  
Academic Services Office  
Speed Scientific School  
University of Louisville

Barbara B. Lazarus, Ph.D.  
Associate Provost and  
Adjunct Associate Professor  
Carnegie Mellon University

Stephanie M. Malin  
National Recruiting Organization  
IBM Corporation

Irene Mikawoz, P.Eng.  
Director of Student Affairs  
Faculty of Engineering  
University of Manitoba

Carol B. Muller, Ph.D.  
President  
Blue Sky Consulting

Christine A. Riley, Ph.D.  
Manager, End-User Driven Concepts  
Intel Corporation

Suzanne Scheff  
Director, WIE Program  
University of Kentucky

Lewis E. Shumaker  
Manager College Relations and Recruitment  
DuPont Company

CREATING A GLOBAL ENGINEERING COMMUNITY THROUGH PARTNERSHIPS

1998 WEPAN National Conference

Marcia R. Simpson  
Technology Leader  
Mobil Corporation

Jill S. Teitjen, P.E.  
Director, Women in Engineering  
University of Colorado, Boulder

Susan Wood, Ph.D.  
Vice President and Director  
Westinghouse Savannah River Company

Doreen S. Yochum  
Chief Administration Officer  
AT&T Labs

CREATING A GLOBAL ENGINEERING COMMUNITY THROUGH PARTNERSHIPS

1998 WE PAN National Conference

## CONFERENCE COMMITTEE

### CHAIR

Suzie Laurich-McIntyre, Ph.D.  
University of Washington

### CO-CHAIR

Jan Rinehart  
Texas A&M University

### PROGRAM CHAIR

Suzanne Brainard, Ph.D.  
University of Washington

### PROGRAM COMMITTEE

Karen Butler, Ph.D.  
Texas A&M University

Cinda Sue Davis, Ph.D.  
University of Washington

Debra Fowler  
The Dow Chemical Company

J. J. Jackson  
Massachusetts Institute of Technology

Jan Rinehart  
Texas A&M University

Elaine Stana  
Northrup-Grumman Corporation

### ADMINISTRATIVE COORDINATORS

Cathy M. Deno  
Purdue University

Claire LeBlanc  
University of Washington

Teresa Wright  
Texas A&M University

### STUDENT ASSISTANTS

Maryjane Fielding  
University of Washington

Jennifer Harold  
University of Washington

Yumi Konno  
University of Washington

Monique Levi  
University of Washington

Kara Richmond  
University of Washington

Marcia Sawyer  
University of Washington

Erica Strandberg  
University of Washington

## TABLE OF CONTENTS

WEPAN Board of Directors .....	i
1998 WEPAN Conference Committee .....	iii

### WELCOME ADDRESS

<i>Welcome Address</i>	
Susan Staffin Metz .....	1

### OPENING PLENARY: PERSPECTIVES FROM EXECUTIVE WOMEN ON OUR FUTURE

<i>Panelists</i>	
Constance Rice, Ph.D., Sally Jewel, Deborah Willingham .....	5

### CORPORATE DIVERSITY PROGRAMS

<i>Moderator</i>	
Harold C. Shields .....	7

### NAVIGATING THE TENURE TRACK

<i>Moderator</i>	
Karen L. Tichenor, Ph.D. ....	9

<i>Achieving Tenure</i>	
Nina W. Brown, Ed.D. ....	11

<i>Navigating the Tenure Track through Effective Collaboration</i>	
Pamela R. McCauley-Bell, Ph.D. and Lesia L. Crumpton-Young, Ph.D. ....	17

## INTERNATIONAL ISSUES

### *Summary of Results and Recommendations: The April 1998 International WEPAN Working Session*

Suzanne G. Brainard, Ph.D. ....	23
---------------------------------	----

## STRATEGIES FOR CLOSING THE GENDER GAP

### *Moderator*

Nancy M. Tooney, Ph.D. ....	29
-----------------------------	----

### *Predictors of Women's Entry into Engineering: Why Academic Preparation is not Sufficient*

Stephanie Blasidell .....	31
---------------------------	----

### *An Interactive CD-ROM to Sensitize Engineering Students to Diversity Issues*

Stephanie Blaisdell, Constantine Andreyev, Russell Jones .....	39
----------------------------------------------------------------	----

## FACULTY: MENTORING, ADVISING AND FAMILY WORK POLICIES

### *Moderator*

Lisa M. Frehill, Ph.D. ....	45
-----------------------------	----

### *Collected Wisdom: Lessons Learned in the Trenches*

Carol A. Dickson, Ph.D., Melek Yalcintas, Ph.D., and Martha E. Crosby, Ph.D. ....	47
--------------------------------------------------------------------------------------	----

### *The Family-Friendly University: What Are the Questions, Where Are the Answers?*

Connie R. Borowicz .....	53
--------------------------	----

### *Students in Crisis*

J.M.J. McDill, Ph.D. and M. Frize, Ph.D. ....	61
-----------------------------------------------	----

## INTERNATIONAL ENGINEERING CURRICULUM AND PROGRAMS: DENMARK, SWEDEN AND CANADA

### *Moderator*

Monique Frize, Ph.D. ....	67
---------------------------	----

<i>Export Engineering</i>	
Knud Holm Hansen.....	69

<i>What About Career? A Comparison of Opinions and Opportunities of Career Among Female and Male Engineers in Sweden</i>	
Inger Grufman, BSc.....	75

<p align="center"><b>INTERNATIONAL PLENARY: GLOBAL CHALLENGES FOR WOMEN IN ENGINEERING</b></p>
------------------------------------------------------------------------------------------------

<i>Plenary Speakers</i>	
Hans Peter Jensen, Ph.D. and Jane Grimson, Ph.D. ....	81

<i>Global Challenge for Women in Engineering</i>	
Hans Peter Jensen, Ph.D. ....	83

<p align="center"><b>BALANCING TEACHING, ADVISING, RESEARCH AND SERVICE</b></p>
---------------------------------------------------------------------------------

<i>Moderator</i>	
Karen Butler, Ph.D. ....	89

<p align="center"><b>GENDER EQUITY AND CLASSROOM CLIMATE</b></p>
------------------------------------------------------------------

<i>Moderator</i>	
Jane Z. Daniels, Ph.D.....	91

<i>A Campus Climate Survey at Texas A &amp; M University</i>	
Jan Rinehart and Karan Watson, Ph.D.....	93

<i>Classroom Climate Workshops on Gender Equity: Model of Development at Purdue University</i>	
Emily M. Wadsworth, Ph.D.....	101

<i>6APT: Teaching Gender Equity with and for Computer Science</i>	
Allan Fisher, Ph.D. and Jo Sanders, Ph.D.....	107

<i>The Penn State Ecsel Learning Environment Workshop: A Progress Report</i>	
Barbara Bogue, M.Sc., Rose M. Marra, Ph.D., Tom Litzinger, Ph.D and Sandra Johnson .....	113

## EVALUATION AND NEW INITIATIVES

### *Moderator*

Cinda-Sue Davis, Ph.D. .... 117

## INTERNATIONAL PROJECTS FOR PROMOTING WOMEN IN SCIENCE AND ENGINEERING

### *Moderator*

David Targan, Ph.D. .... 119

### *Global Strategies for Educating Girls in Science*

Yolanda S. George, Alice Mastrangelo Gittler, and Nathan E. Bell..... 121

## WIE PROGRAM DEVELOPMENT FROM CONCEPT THROUGH FUNDING

### *Writing Your First Proposal*

Jane Z. Daniels, Ph.D. .... 127

## SUCCESS BY DESIGN

### *Moderator*

Susan L. Burkett, Ph.D. .... 135

## PLENARY: PREPARATION FOR THE GLOBAL WORKFORCE

### *Plenary Speakers*

Martha Krebs, Ph.D. and Shirley Malcolm, Ph.D. .... 137

### *Remarks to the June 15, 1998 WEPAN Conference*

Martha Krebs, Ph.D. .... 139

## PRE-COLLEGE PROGRAMS AND CURRICULUM: DO THEY WORK?

### *Moderator*

R. David Cantu ..... 145

<i>Real-World Mathematics Through Science: Facilitating Equity in Mathematics</i> Nancy Cook and Patricia MacGowan .....	147
-----------------------------------------------------------------------------------------------------------------------------	-----

<i>High-School Science Attitudes and Achievement: A Longitudinal Study Using Role Models</i> Elizabeth Dunkman Riesz, Ph.D. and Sandra L. Stephen, Ph.D .....	153
------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----

<i>Engineering Careers Workshop for High School Girls and Their Mothers</i> Neda Fabris, Ph.D .....	159
--------------------------------------------------------------------------------------------------------	-----

### STRATEGIES FOR CLIMBING THE ACADEMIC CAREER LADDER

<i>Moderator</i> Sandra Cooper, Ph.D .....	165
-----------------------------------------------	-----

<i>Strategies for Climbing the Academic Ladder</i> Sandra Cooper, Ph.D, Catherine Didion, Nancy M. Tooney, Ph.D, and Linda H. Mantel, Ph.D .....	167
--------------------------------------------------------------------------------------------------------------------------------------------------------	-----

### FEMINISM, WOMEN'S STUDIES AND ENGINEERING: OPPORTUNITIES AND OBSTACLES

<i>Moderator</i> Banu Subramaniam, Ph.D .....	171
--------------------------------------------------	-----

<i>Feminism, Women's Studies and Engineering: Opportunities and Obstacles</i> Banu Subramaniam, Ph.D, Angela Ginorio, Ph.D, and Shirley Yee, Ph.D .....	173
------------------------------------------------------------------------------------------------------------------------------------------------------------	-----

### INTERNATIONAL PERSPECTIVES: INDIA, ROMANIA AND THE UNITED KINGDOM

<i>Moderator</i> Jill S. Teitjen, P.E. ....	179
------------------------------------------------	-----

<i>Transforming the Engineering Curricula - Gender Equity in Engineering in Denmark</i> Mona Dahms .....	181
-------------------------------------------------------------------------------------------------------------	-----

<i>Women in Science and Engineering in the United Kingdom</i> Marie-Noëlle Barton .....	189
--------------------------------------------------------------------------------------------	-----

CREATING A GLOBAL ENGINEERING COMMUNITY THROUGH PARTNERSHIPS

1998 WEPAN National Conference

✓ <i>Technical and Vocational Education for Women: Systems Analysis</i> Masooda Yasin .....	191
------------------------------------------------------------------------------------------------	-----

### TRAINING MENTORS AND MENTEES IN S & E: WORKSHOP

<i>Moderator</i>	
Nancy Algert, M.Ed .....	197
<i>A Curriculum for Training Mentors and Mentees</i>	
Suzanne G. Brainard, Ph.D .....	199

### RETENTION OF WOMEN IN SCIENCE AND ENGINEERING

<i>Moderator</i>	
Suzanne Scheff .....	205
<i>Retention of Freshmen Women Engineering Students Through an Ability-Based Learning Seminar</i>	
Judy C. Aull, Carolyn L. McCreary, and Ashley C. A. Dunham .....	207
<i>Impact of a Gender-Balanced Summer Engineering and Science Program on Future Course and Career Choices</i>	
✓ Monique Frize, Ph.D .....	213

### PLENARY: ABET 2000 AND BEYOND

<i>Plenary Speakers</i>	
George D. Peterson, Ph.D. and Ed Parrish, Ph.D .....	219
<i>Engineering Criteria 2000: A New Paradigm Driver</i>	
Ed Parrish, Ph.D .....	221

### MENTORING MODELS: USING TECHNOLOGY

<i>Moderator</i>	
Anne E. Donnelly, Ph.D .....	223
<i>The Value of Industrial Electronic Mentoring Programs: What Have We Learned Over Two Years?</i>	
Kathy Scott Weaver and Cynthia A. Char, Ph.D .....	225

<i>Mentoring of Young Women Using Distance Technology</i> Patricia Albanese Pitkin and Catherine J. Erbland .....	231
----------------------------------------------------------------------------------------------------------------------	-----

## ACADEMIC CLIMATE AND STUDENT RETENTION

<i>Moderator</i> Teresa Wright .....	239
<i>A Model Partnership to Recruit and to Retain Underrepresented Engineering Students</i> Mary R. Anderson-Rowland, Ph.D, Stephanie Blaisdell, Shawna Fletcher, Peggy Fussell, Mary Ann McCartney and Maria Reyes .....	241
<i>The ESTEAM Program's Phase I Results: Faculty Views on Engineering Student Team Effectiveness</i> D. Moore, P. Mead, M. Matishan, L. Schmidt, C. Lathan, and Sarah Mouring .....	247

## WIE ROLE IN CORPORATE CONNECTIONS TO HIGH POTENTIAL STUDENTS

<i>Moderator</i> Debra A. Fowler .....	253
-------------------------------------------	-----

## INNOVATIVE APPROACHES TO DIVERSITY

<i>Moderator</i> Arlene F. Norsym .....	255
<i>Curriculum, Methods and Males: Problems and Solutions to Low Female Enrollment in College and Pre-College Technical Courses</i> Jim Flowers, Ph.D .....	257

## CURRICULUM PROGRAMS: K THROUGH GRADUATE SCHOOL

<i>Moderator</i> Stephanie Blaisdell .....	263
-----------------------------------------------	-----

<i>Women, Science and Culture: A Course for First-Year Women and Minority Students in SEM</i>	
Sandra Cooper, Ph.D. and Judy Meuth.....	265
<i>G.E. Foundation Faculty for the Future Program at Texas A &amp; M University</i>	
Marilyn Green and Teresa Wright .....	271

## AFFIRMATIVE ACTION UPDATE: WHERE ARE WE? WHERE ARE WE GOING?

<i>Moderator</i>	
Robert Willis .....	275

## POSTER SESSIONS

<i>Mentoring: The Immigrating Professional's Step to Success</i>	
Angela A. Prymas and Robert Macartney .....	279
<i>Tech Star Seminars</i>	
Sandra Cooper, Ph.D, Claudia Pacioni and Tamara Mobbs .....	283

## APPENDICES

A. WEPAN National Conference Participants.....	287
B. WEPAN Interest Group Meetings.....	309
<i>Women in Engineering: Retaining Women in the Workplace</i>	
Paula Leventman, Ph.D.....	311
<i>Mentornet: The First Year and Beyond</i>	
Carol B. Muller, Ph.D.....	313
C. 1998 WEPAN Awards .....	315
D. Author Index .....	321
E. Organizational Index.....	325
