

NAVIGATING THE TENURE TRACK

Moderator

Karen L. Tichenor
Assistant Dean, Executive Director of WISEM
Colorado School of Mines

Dr. Karen Tichenor is Assistant Dean of Graduate Studies and Executive Director of WISEM (Women in Science, Engineering and Mathematics) at Colorado School of Mines in Golden, Colorado. Prior to arriving in Colorado, Dr. Tichenor was a consultant in Engineering Research and Education. Her consulting projects included educational programming, equipment design and development, software development, analysis of material behavior, and technical presentations.

Dr. Tichenor earned her B.S., M.S., and Ph.D. in Mechanical Engineering from North Carolina State University in Raleigh, North Carolina. Her Ph.D. dissertation was titled "Heat Transfer and Population Characteristics in Multiphase Flow with Phase Change." After graduation she was an Assistant Professor of Mechanical Engineering and Applied Mechanics at the University of Rhode Island in Kingston, Rhode Island and then worked in the Human Performance Engineering Lab at Reebok International, Ltd. in Stoughton, Massachusetts as a Research Engineer.
