

## **PEDAGOGICAL STRATEGIES**

### **Moderator**

**Brenda Hart**

Professor, University of Louisville

Brenda G. Hart earned her B.A. in French Language and literature from Boston University and her M.Ed degree in Student Personnel Services – College Counseling from the University of Louisville. She served as Assistant Director in the Office of Cooperative Education and Placement for four years and as Director of the Academic Advising Center in the General Engineering Studies Office at the Speed Scientific School for 14 years. She currently serves as Director of Minority and Women in Engineering Programs at Speed.

Hart's areas of expertise include special programming for under-represented students as well as orientation classes for first year students. She has published numerous articles on these subjects and has spoken at many regional and national conferences.

Over the years Hart has served as a mentor and counselor to hundreds of students and she has been recognized for her outstanding service. In recent years she has received the Provost's Award for Exemplary Academic Advising, has been named Speed's Alumni Scholar for Service and has been the recipient of the University's Trustees Award.
