

## RESEARCH AND EVALUATION: KEYS TO SUCCESS

### MODERATOR

Judith W. McDonald earned her Bachelor of Ceramic Engineering degree from The Ohio State University in 1965. She worked at Westinghouse's Engineering Research Center until joining the Peace Corps in 1966. Judith returned to The Ohio State University as a lecturer in Engineering Graphics in 1980. In 1986, she became the Director of the Engineering Cooperative Education Program at Ohio State. In 1989, she became the Director of the Women in Engineering program. Since 1992, Judith has been the Director of Student Services in the College of Engineering as well.

Judith has been a member of WEPAN since 1990 and was a member of the Board of Directors from 1990 to 1999 serving as Secretary of the Executive Board from 1995-1999. She is a member of the Society of Women Engineers and the faculty advisor to the Ohio State student chapter of SWE.
