

NEW REALITIES IN THE WORKPLACE

MODERATOR

Jill S Tietjen, P.E., joined the University of Colorado at Boulder as the Director of the Women in Engineering Program in 1997, after 21 years in industry. Ms. Tietjen's area of expertise is generation and transmission planning for electric utilities. A Fellow, life member of the Society of Women Engineers, Ms. Tietjen served as its 1991-1992 National President. She has been a member of the WEPAN board since 1995. Ms. Tietjen is an outside director of Georgia Transmission Corporation, an electric utility in Tucker, Georgia. She serves on the Colorado State Board of Registration for Professional Engineers and Professional Land Surveyors, the Board of Directors for Girl Scouts Mile Hi Council, and numerous other non-profit boards. Ms. Tietjen has a B.S. in Applied Mathematics (minor – Electrical Engineering) from the University of Virginia, Tau Beta Pi, Virginia Alpha, and an M.B.A. from the University of North Carolina at Charlotte. She is a registered professional engineer in Colorado.

SECOND STAGE TRANSFORMATION: CREATING A NEW VISION IN THE 21ST CENTURY
