CHANGE IN THE PUBLICATION DATES
of the
Western Pennsylvania Historical Magazine

Beginning with the present issue, Volume 46, Number 1, the dates of publication will change from the last month of the quarter to the first month, that is, to January, April, July, and October. This change will bring our magazine in conformity with most of the other historical magazines and will avoid the summer vacation break and the Christmas congestion.

Correction

We sincerely regret the inclusion of the name of Miss Grace Agnes Rankin in the "In Memoriam" list in the December 1962 issue of our magazine. Mail addressed by us to Miss Rankin had been returned by the Post Office with the notation "Deceased." This accounts for the unfortunate error.
