ANNOUNCEMENT

Beginning with this issue, and until further notice, the *Western Pennsylvania Historical Magazine* will appear in two somewhat curtailed double numbers per year, for March-June and September-December, in each case in the last named month.

This, for not longer than "the duration," it is expected, for the step is prompted in part by considerations of economy in paper and cost, and it is hoped that members of the Historical Society of Western Pennsylvania, and its subscribers and exchanges, will bear with this temporary curtailment of their privileges.

THE EDITOR.
