

SUPPLEMENTARY LIST OF DESCENDANTS

Upwards of nine hundred descendants of Pittsburghers of 1845 enrolled in the association of that name in time for listing in the souvenir booklet, *An Historical Commemoration*, issued on the centennial of the Great Fire. Following is a list of those who enrolled after the printer's forms had to be closed—many of them before the event, but not a few who, belatedly informed of the listing, wanted at least to be recorded in the Historical Society's archives as members of century-old Pittsburgh families:
