

## IN COMMEMORATION

The Society gratefully acknowledges a recent gift from our faithful board member, Mrs. Elmer D. Harshbarger, in memory of her late brother, Mr. John Kimerer. Mrs. Harshbarger has provided the funds to purchase a Vu Lyte. This is a projection machine which permits pages from books, periodicals, and pamphlets, as well as clippings and other exhibits, to be laid on a flat surface and projected on our screen in Stevenson Hall, our Lecture Room. This facility has long been needed for speakers who have items to be displayed while they are talking.
