J. CUTLER ANDREWS
1908-1972

In deep sorrow the Historical Society of Western Pennsylvania records the death of J. Cutler Andrews, a trustee of the Society, chairman of the Program Committee, member of the Editorial Advisory Committee — good friend and advisor.

Dr. Andrews, professor of history and chairman of the history department at Chatham College, had been a great teacher there since 1947 and at Carnegie-Mellon University and the University of Pittsburgh as a visiting professor. He had also taught American history at Helsinki University, Finland, under a Fulbright Fellowship. He was to teach next year at the University of Tokyo and at Tsuda College in Japan under a Fulbright-Hays Lectureship.

Professor Andrews was a scholar respected and honored by his fellow historians, his many students, and his colleagues. He was a member and past-president of the Pennsylvania Historical Association, a member of the American Historical Association, the Southern Historical Association, and the Historical Society of Western Pennsylvania. He received the Bachelor of Arts degree from Ohio Wesleyan University, where he was named a University Scholar and an Edward Austin Fellow. For several years he was book review editor for the journal Pennsylvania History. He was a member of Phi Alpha Theta and of Phi Beta Kappa.

Among Professor Andrews’s publications are Pittsburgh’s Post-Gazette, First Newspaper West of the Alleghenies, published in 1936; The North Reports the Civil War, which won the Frank Luther Mott Kappa Tau Alpha Research Award in Journalism in 1956; and The South Reports the Civil War, which won the same award in 1972.

For all these well-deserved honors, Professor Andrews will be remembered long in this Society by many associates and friends. They cherish memories of his unfailing good humor and kindness, his wise counsel, and his gentle and sensitive understanding of ideas and people.

The Society extends, especially to his wife Dorothy Peterson Andrews; his daughter, Sharon; his sons, Kenneth and Malcolm; and his sister, Mrs. Mary De Golia, their deepest sympathy. His name will remain bright in the annals of the Historical Society of Western Pennsylvania.
