We Can Do It! WWII traveling exhibition

Pennsylvania served as the Arsenal of Democracy during World War II providing not only soldiers for the war effort but workers, materials, and innovative manufactured goods and munitions that turned the tide of war. Key life figures and exhibition panels will travel to nearly 20 History Center Affiliates Program (HCAP) sites over the next three years to share this story with our affiliate sites, beginning on April 22, 2017 at the Beaver Area Heritage Museum. The exhibit then travels to the Butler County Historical Society (in partnership with the Historic Harmony Museum and Slippery Rock Heritage Association) on June 17.
