A Very Merry Pittsburgh

November 16, 2019 to January 5, 2020

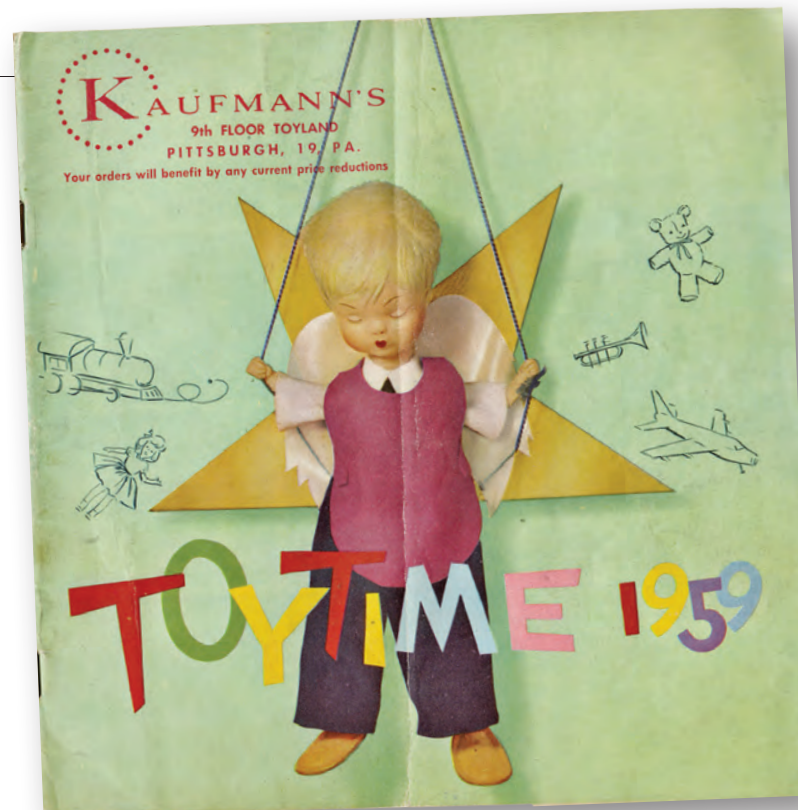

Relive holiday memories and make new ones with your family at the Heinz History Center's new exhibition, *A Very Merry Pittsburgh*.

A Very Merry Pittsburgh will include a special section featuring family keepsakes, artifacts, film, and imagery that explore how Western Pennsylvanians have celebrated major winter holidays, including Christmas, Hanukkah, and Kwanzaa, through the years.

Highlights include:

- An interactive play area with retro toys for kids of all ages to enjoy
- Historic gifts and toys from the 1840s through today that showcase the evolution of gift-giving in Western Pennsylvania.
- Holiday decorations and artifacts from downtown Pittsburgh department stores like Kaufmann's/Macy's and Horne's, including objects from Kaufmann's Santaland, like Santa's original chair, giant Mr. and Mrs. Claus ornaments, and the mailbox where thousands of Pittsburgh children mailed their Christmas wish lists to the North Pole

Visitors can wrap up their holiday shopping in the History Center Museum Shop, which features quirky Heinz products, Pittsburgh-proud apparel, award-winning books, and more!
